

# FRIDAY AFTERNOONS

Dear Parent/Guardian,

The Friday Afternoons project from Aldeburgh Music is about encouraging you people to sing, and to enjoy music as performers, listeners and composers.

One of the main aims of Friday Afternoons is to encourage children to be creative. We are trying to get as many children as possible involved in uploading films, photos or recordings of their Friday Afternoons performance.

The children have been working very hard on this – and we are keen to submit their recordings to Friday Afternoons, so that they can be showcased alongside the work of pupils from around the world.

## How will the film be used?

Uploaded films will be reviewed by the Friday Afternoons team, and selected performances may be featured on the Friday Afternoons website or in print media. Films, or clips taken from films, may also be published on the Friday Afternoons and Aldeburgh Music social media accounts, for example Facebook, YouTube and Twitter.

Please complete the below to indicate whether you consent to your child appearing in a performance that will be filmed and shared by Friday Afternoons. Where consent is not given, your child will not be able to take part in the performance that is filmed, but will still be able to be involved in the rehearsals and any performances that are not filmed.

---

As the parent of legal guardian of \_\_\_\_\_ (child's name).

**I DO / DO NOT (delete as appropriate) consent to my child appearing in a performance that is uploaded by his/her group/school to the Friday Afternoons website and may be used by Friday Afternoons in the way explained above.**
